COLLECTIVE EVENT GUIDE

Use this to reference what to expect during each event. Recordings will be available within 24 hours of the end of each event (except for Power Hours).

Monthly Events

Purpose Power Hour {Reflection}

Join us for this “power hour” where we’ll virtually co-work together (sound off! video on!) in order to reflect on the past month. If you need a dose of sparkling accountability to reflect + plan ahead, don’t miss this event! The session is 75 minutes to allow for a full co-working “power hour” and two short check-ins.

Community Confab

Make this event a priority! This is a powerful group discussion where we share what we’re working on, the challenges we’ve faced, the things we measured, and, of course, celebrate our wins! This is your chance to soak in the support + accountability of a community of purpose creators just like you. *During the first month of every quarter, this will be a longer event to include a co-working session for quarterly action planning.*

Masterclass

Put your learning caps on! Either Quinn or a special guest expert will deliver an educational session to help you create your purpose. Past topics have included time management, email marketing, process creation, business finances, and more. Full recordings will be added to our Resource Library and mini-masterclasses or additional resources on the topic will be shared in the community throughout the month.

Quarterly Events

Book Club

Join this fun event to discuss our quarterly read! Vote on what you want to read as a community and join us to have a conversation about the lessons we all learned and insights gained.

Purpose Party

We're doing A LOT of work to create our purpose every month, so every quarter we throw some kind of purpose party to shake it all off, celebrate our wins, and come together as a community to just have fun! Have an idea for an activity? Volunteer to lead it! We've had tarot readings, cocktail demos, and more :)

Other Events

Sometimes, other fun events will pop-up that aren't on the quarterly calendar, so keep an eye out!

-  Academy Graduation Party
-  "Lunch & Learn" with a Member
-  Mindful Moment
-  Live Q&A with Quinn
-  CYP Conversations with Guests
